

Faculty Position Opening

School of Economics and Business Administration, Beijing Normal University, China

Position: Assistant Professor, Associate Professor, or Full Professor

Location: Beijing, China

Teaching and Research Fields: Organizational Behavior, HRM, Innovation and Entrepreneurship, Strategic Management, Marketing, Accounting, and so on

Deadline Date: 2010-8-1

Introduction

School of Economics and Business Administration (SEBA) at Beijing Normal University was dedicated to be a leading business school with deep cultural basis. After 30 years development, SEBA has formed a comprehensive and reasonable discipline structure, which include 6 undergraduate programs, 12 Master and MBA programs, 5 Doctoral programs and 1 Postdoctoral work station.

We are recruiting assistant professors, associate professors and professors in the following areas, but not restrict to them: Organizational Behavior, HRM, Innovation and Entrepreneurship, Strategic Management, Marketing, Accounting and so on. We will provide competitive wages package and welfare (e.g. children's education).

Candidates should hold a Ph. D. in Management, Psychology, Sociology or related disciplines from a leading university (English Speaking Countries are preferred). Candidates applying for junior positions must have completed their Doctorate at the time of appointment and have demonstrated strong interest and ability to conduct high level research. Senior positions are expected to play a leadership role in their research fields.

Candidates with more than two SSCI/SCI listed papers are more than welcome.

Application Procedure:

Applicants should electronically submit his/her vita, published papers and two reference letters to the following address:
