

## Job Opening

---

**Position:** Research Fellow (BMT Project)

**Report to:** Professor

**Dept.:** Dean's Office

**Location:** Shanghai

### Job Responsibilities:

- The Research Fellows under BMT Project will be working on a multi-faceted new project that deals with the competition and co-operation of foreign and domestic firms in China and beyond;
- The project is sponsored by the European Commission and is anchored at CEIBS. The research fellow will work with several professors and other senior researchers in the exciting multi-cultural work environment of Asia's leading business school.

### Job Requirements:

- Successful candidates have been trained and are theoretically grounded in the areas of management, business administration or economics.
- They are familiar with topics such as industry analysis, strategy, the management of traditional or emerging multinational firms, and/or international business.
- Ideally they will have obtained their doctorate/PhD outside China, and are looking to apply their knowledge and skills to a relevant and firm-specific study in China.
- The task requires both English and Chinese language capabilities.

Please Email your resume in both Chinese and English, salary expectation, and a recent photo to Elaine Zhang at [zelaine@ceibs.edu](mailto:zelaine@ceibs.edu)
