Management and Organization Review

The official journal of The International Association for Chinese Management Research.
Also sponsored by Peking University and the
Hong Kong University of Science and Technology.

Management and Organization Review (MOR) is dedicated to advancing global knowledge on management and organizations. MOR aims to publish innovative research contributing to management knowledge in three domains:

- Fundamental research in management
- International and comparative management
- Chinese management, including research on the management and organization of Chinese companies and multinational companies operating in China.

Editor-in-Chief: Anne S. Tsui

Print ISSN: 1740-8776

Online ISSN: 1740-8784

Frequency: Three times a year

Current Volume: 4/2008

Peer-reviewed and ISI-listed with an international reach, Management and Organization Review is essential reading for all academics and professionals seeking creative, context-rich theorizing, indigenous, cross cultural, and comparative research on traditional and non-traditional topics studies using conventional as well as innovative research methods.

To access articles online, subscribe to the journal or submit a manuscript for consideration, please visit:
